## Extra Curricular Activities

### Summer 2011

Welcome back!

This is the Summer Term's Extra-Curricular Activities booklet, which lists all free activities run by members of staff & fee-paying activities run by outside agencies.

Activities will run for **EIGHT** weeks, commencing Tuesday 3<sup>rd</sup> May & finishing the week commencing Monday 27<sup>th</sup> June 2011. The exception to this will be those clubs that run on a Monday. These will not commence until Monday 9<sup>th</sup> May and will therefore only run for seven weeks.

The Swimmers Improvers Club, for Form 1, Lower 2 & Upper 2, is organised by Mr Deighton in the PE Department. A separate letter has been sent to parents giving further details of this club.

The rehearsal schedule for the Upper 2 & Lower 3 drama production "What A Knight" will be published separately.

Children wishing to join any of the 'free' activities can turn up at the activity of their choice on the correct day and do not need to complete any application forms. Please note that activities run by CLFS staff may be subject to change due to other teaching commitments.

Any child wishing to join any of the fee-paying activities can do so by completing the **application form at the back of this booklet** and returning it to the Junior School office, with the appropriate cheque(s). Please ensure that for each activity you attach a separate cheque, payable to the activity leader. The form can be used for more than one activity.

When choosing activities, it is very important that children do not become 'overloaded' &, especially with the Lower Juniors, that they have 'free' time to play and socialise. Please check the Activities list carefully before completing the application form to ensure there are no clashes with other chosen activities or squads. All squads take precedence over free and fee-paying clubs.

For your information, whilst every effort will be made to accommodate your choice of day, Squash groupings will be determined by the activity leaders.
